Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), a plurality of plot information generating devices generating plot information used to plot a dynamic image on a screen, the plot information being one of a plot position, a size, and a rotation angle of the dynamic image on the screen to update the dynamic image correspondingly to a movement element for generating a movement of the dynamic image; an image management device managing image data of each image and generating plot information at a present time of each image by combining one or more pieces of information generated by one or more of the plurality of the plot information generating devices, and a plotting device receiving the image data and the plot information at the present time from the image management device and plotting the image data based on the plot information at the present time. as claimed in claim 1. Similar features are claimed in claims 13, 16, 17, and 20. Therefore, claims 13, 16, 17, and 20 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
